**Bangladeshi Intruders**

938. SHRI SANJAY RAUT: Will the Minister of HOME AFFAIRS be pleased to state:

---

† Original notice of the question was received in Hindi.

[7 March, 2007]

RAJYA SABHA

(a) whether it is a fact that more than two crore Bangladeshi intruders are living in our country and are enjoying every right;

(b) if so, Government's response thereto and the corrective steps taken or proposed to be taken against Bangladeshi intruders entering our country through Malda, Siliguri, Murshidabad, Dinazpur and North-East Region; and

(c) the details of steps taken by Government, so far with the help of concerned State Governments, to identify the Bangladeshi intruders in the country?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI SHRIPRAKASH JAISWAL): (a) According to available reports, Bangladeshi nationals have been using porous Indo-Bangladesh border to enter into India illegally. It is difficult to make a realistic estimate about the number of such illegal Bangladeshi immigrants because they enter surreptitiously and are able to mingle easily with the local population due to ethnic and linguistic similarities. However, there are reports that some of the illegal Bangladeshi migrants have managed to obtain ration cards, passports and voter identity cards, etc. The State Governments/UT Administrations are competent to deal with such cases, as and when detected, in accordance with the provisions of law.

(b) and (c) The State Governments/UT Administrations have been empowered under section 3(2) (c) of the Foreigners Act, 1946 to detect and deport foreign nationals illegally staying in India. Administrative instructions are issued from time to time requesting the State Governments/UT Administrations to detect and deport illegal Bangladeshi migrants staying in the country

Further, for the purpose of detection, prosecution and deportation of illegal migrants, the Government has implemented the Prevention of Infiltration of Foreigners (PIF) and Mobile Task Force (MTF) Schemes. In addition, the Government has taken various measures to check illegal infiltration. These measures, *inter-alia*, include round the clock surveillance of the borders by carrying out patrolling; upgradation of intelligence network and co-ordination with other intelligence agencies; erection of border fencing; riverine patrolling; and introduction of modern surveillance equipments including night vision devices.
